

**Application to become a member of Gay Men Tyneside for year 2007/2008**

GMT is open to all gay and bisexual men living, working or socializing in the Tyneside area. When you first come along to GMT, you are legally called a "visitor" under our constitution. Visitors can apply to become a "member" of GMT. This gives you voting rights at our general meetings, and enables you to propose or second another member for election to the Executive Committee. It also allows you to become nominated for election to the Executive Committee yourself. Whether or not you become a legal member is entirely up to you. Please feel free to discuss this with any member of the Executive Committee if you wish.

Note: the above is intended as a guide only, and is not an exhaustive legal description. Please refer to our constitution for full details.
